

IN THE SPECIFICATION:

Please paragraph indent the first line of the following paragraph beginning on page 12 on line 17:

"FIG. 7 is a flow chart for implementing a video recording/storage system, in accordance with another preferred embodiment of the invention..."

Please remove the gap on page 14 on line 16 between the first sentence beginning on page 14 on line 15 and the remaining sentences of the same paragraph:

"PC 822, 824, 826, and 828 are connected to displays 832, 834, 836, and 838, respectively. Optional commercially available system 810 is connected to a display 840. For example, a commercially available system 810 that includes the cable modem 820 and the PowerTV OS 830 is packaged as a Scientific Atlanta Explorer 4000. This system is manufactured by Scientific Atlanta, headquartered in Lawrenceville, Georgia. Equivalent boxes are available from other commercial suppliers."
